New acts like Nirvana changed the way people listen to rock music, and stars like Madonna have recorded some of the biggest hits of their careers. Boy bands and divas dominated the pop and dance charts, and rappers in the East and West Coast gave hip-hop a new urgency. So who are some of the biggest acts of the 1990s? Mariah Carey was no.1 in those 10 years. Other artists who dominated the charts Jane Jackson, Boys II Man, Whitney Houston, TLC. In the early '90s, Seattle created a grunge movement that blended punk and hard rock, and produced influential bands such as Pearl Jam and Soundgarden. Ten years later, Grunge was absorbed into the larger rock-friendly alternative rock genre, and a decade later it entered ago rock and numeral bands such as Lymphatic Bizkit and Linkin Park. Fatboy Slim and Chemical Brothers revived the popularity of country music with Electronica, Shania Twain and Garth Brooks, while Jay-Z and Tupac Shakur brought hip-hop to life. Find out if your favorite songs from the 1990s made a cut from this list of 10 to 100 hits. Nirvana - a teenager mentally smells like. The emergence of free DGC records nirvana's teenage spirit-like smell remains one of the most dramatic events in pop music in the 1990s as a top-10 pop hit. Kurt Cobain's sardines hymn about teenage fury, set to pop melodies pounded by drums and guitars, bathed in fuzzy-up twists, rocked the pop music establishment. All this came with a music video that presented a memorable and relentless dark view of the classic high school Pep Rally. Grunge arrived. Watch the video Los Del Río - Macarena. Courtesy RCA today, most people consider edits to be ridiculously exaggerated, quirky artifacts for wedding reception dances. The truth is that it was one of the most instantly entertaining and popular hits in a decade. Video Boys II Man View - The End of the Road. Four-part cruising and a brilliant plea fade are irresistible. It became the second hit in 1992 with Whitney Houston's I Will Always Love You, and ranked 10th among the 10 pop hits. Watch the video Elton John - Candle in the Wind 1997. In the summer of 1997, when Princess Diana died in a horrific car accident, the summer of M has reached a tragic end. The world's attention was riveted at her funeral, and Elton John reworked the candles in his singing video. It quickly became his biggest selling single worldwide. Watch the video tag team - Whoopie! (There is) Courtesy life record no one is likely to argue but Whoomp! It is probably the most popular party single for the last 25 years, (there is) art. Whoomp! You can also listen for many years as part of the soundtrack for relaxation at all kinds of sporting events (there it is). This is hip hop in the most ridiculous fun. Watch the video Whitney Houston - I will always love you. The original version of Courtesy Arista I Will Always Love You was written and written by Dolly Parton. Whitney Houston's version was included in the soundtrack of the movie Bodyguard, starring Kevin. With this song, one of the most beautiful voices of music meets one of the most wonderful ballads ever written, it made history, became the biggest pop hit of all time. Watch the video Coolio - Gangster's Paradise. Courtesy of Tommy Boy earlier in 1995, Coolio was known primarily for his light, humorous hip-hop as an alternative to West Coast gangster rap. Rivets and moods, gangster's Paradise Coolio's record label decided to leave the solo album and instead decided to put it on the soundtrack to the movie Dangerous Mind. Released as a single, Gangster Paradise became one of the biggest hits of the year, spreading social commentary on ghetto life from coast to coast. Watch the video Cineard O'Connor - Nothing compares to Z U. favourable Chrysalis it's hard to remember now the image of Cineard O'Connor before the controversial television appearance that brought her career down almost, but a few pop performances have put together, a heart-topping performance. Prince's songs are excellent, but Sinede's emotional and gutsy performances were classic. Painful loss meets amazing vocal beauty with a perfectly restrained instrument arrangement. Video R.E. - M View - Losing my religion. Free Warner Bros. With the Grunge Revolution lurking just above the horizon, The Alt Rock pioneer R.E.M. jumped into the mainstream with this song. That sparked dozens of conversations about meaning, losing my religion and in the most basic sense, is a pop song that influences a brilliant folk influence on the crazy going. Watch the video Alanis Morissette - you know Yota. The debut of free maverick Alanis Morissette sent shockwaves through the music industry. No pop singer ever had to lay down the anger and pain of the relationship that went very explicitly bad. You Oughta Know has obviously touched the nerves and led the audience to the intricate and intricate singing craft of the jagged little pill album that surprisingly orbits the audience. Video Jay-Z - Watch Hard Knock Life. The free Roc-a-Fella Jay-Z incorporates the East Coast rapper's status as the best in the East Coast rapper, transforming the number from the Broadway musical Annie to hip-hop pops to the number that stops the show. It was proof that hip-hop artists could push the boundaries of the genre. This song from the video-provided Columbia Titanic Soundtrack track was certainly one of the most exaggerated ballads of the 1990s. Give a fresh listen, though, you will realize how beautiful the song is – and Celine Dion is undoubtedly one of the best voices in the business. Video offers Def Jam LL Cool J still watch esthis established itself as the top hard edge rapper during the teens. By the end of the 1980s, however, he was accused of being sold to the public. His response to the criticism that mom has knocked you. An intensely aggressive rap classic that brings together rap and pop audiences LL has established itself as one of the greatest rap artists of all time. Watch the video Backstreet Boys - I want it that way. Courtesy Jive Records is one of the great ballads in pop music history that I want that way. It gave the Backstreet Boys the perfect opportunity to hear their stylish voices and became one of the biggest hits. Watch video TLC - No scrub. R&P R with the amazing album Crazysexycool released in 1994 B Trio TLC has warmed up the pop music scene. Then I waited for the next installment for five years. Fortunately, fan mail was as good as its predecessor. No Scrubs, a leadoff single, was a leadoff single, and in the late '90s, R&P; C B Watch Video Beck - Is a Loser. If the major pop hits of 1994 could be portrayed as coming from left field, it would be Beck's loser. It's a bit like welding a killer self-deprecating chorus to Dylan's underground nostalgic blues. Over the next few years, Beck will prove that the loser was just a drop in the deep well of his creativity. Watch the video Fugees - gently killing me. Rough House's courtesy rough house for the second album, The Score, showed that hip-hop can be much more than gangsters. Lorraine Hills amazing voice was at the center of this major hit remake, which gently kills me with his song by Roberta Flack. Watch the video Ricky Martin - Levine La Vida Rocha. Courtesy Columbian Ricky Martin began his career as a lead singer with the legendary boy band Menudo. Until 1999, he was a household name with latin music audiences. When Levine La Vida Rocca fell, the English-speaking world found that they had missed. It is irresistible, sexy and almost impossible to hear without moving the body. Watch the video Mariah Carey - A Vision of Love. Courtesy Columbia This Number 1 hit was the world's first introduction to Mariah Carey's voice. The echoes of Whitney Houston's influence are clear, but the sheer power and the mighty best are all owned by Maria. This debut is still rated as one of her best recordings. Watch The Video Santana featuring Rob Thomas - Smooth. Free Arista Records Who would have thought that legendary Latin guitarist Carlos Santana would have recorded one of the biggest pop hit singles of all time? What's more, who would have thought that the vocals would be the lead singer of the grunge band Matchbox 20? But it happened, and the soft deserves subsequent fans and accolades. In 2005, Rob Thomas released an outstanding solo album from Smus... Something would be a hit. The video provided Mercury matches the pairing of Mellen Camp and NdegeOcello in this irresistible pop song made in rock and roll heaven. Together they took Van Morrison's night and turned it into something transcendent. Turn this up and try not to dance. Video courtesy of Geffen Lisa Loeb quickly rose to stardom on the heels of her hit song Stay, from the soundtrack to the movie Reality Bite. Are you sleeping? Debut solo album Tales. The video provided Columbia 1993 video for the center of the album Columbia Video, Billy Joel put together a stream of riffs, gospel-influenced recordings. It topped the pop singles chart for three weeks and is one of the most inspiring hits of Joe's career. The video offers a view that the feel-good atmosphere of Atlantic Sugar Ray is one of the pure pleasures of 90s pop music. There is a halo hanging in the corner of her 4-stock bed, this story about a girlfriend is instantly recognized and memorable. The video provided capitol records but they are best known for their long string of rock hits dating back to the 1970s, this ballad written by Robert John Murrain, was one of the group's biggest pop hits. The theme of this long love night with hitchhikers was controversial at first, but at the heart of it is a fun fantasy from a romance novel. The video provided by Capitol Blind Melton's biggest hit, No Rain's playful feeling, is in contrast to the band's tragic history. Lead vocalist Shannon Huf fought drug addiction through much of the early '90s and died in late 1995 at the age of 28. Many people remember the sweet dancing bee girl, but the song itself is much darker, summing up bassist Brad Smith's efforts to cope with depression and his girlfriend's struggles. Video courtesy of EMI EMF watches the manchester dance scene ride the invading waves of The Broke British Invasion on the US coast in the wake of the popularity. Unbelievable is a drunken rhytm, a sweet high vocal by lead singer James Alkin, and a stormy resonance at the top of the pop charts mixed. Video provided Arista '90s, eight years after Whitney Houston released her studio album. Music industry legend Celine Davis persuaded her to record a new set of songs, and as a result, the album My Love Is Your Love includes her best work. This is not right, but it's fine and it's a hard-hitting anthem for women on the way from a loud-sounding relationship on the rock and dance floor. The video provided by Epic Ben Folds and the company brought the abortion issue to the pop charts from a male perspective. A particularly fascinating twist is that the male commentators of this melancholy song seem a bit selfish and stupid. It's one of the most unique hits of the 90s. The spiritual quest detailed in Tennessee was a big part of the band's success. Uplifting, intelligent lyrics and positive tones seemed to herald a new direction for the rap, but in just a year, the gangster acquisition was expected to win. Video courtesy of Columbia Watch U.S. President's humorous approach to ride the waves and stand out amid seattle band's attack Grunge Revolution. Across the line between lumpunk and bubblegum pop, the result is one of the most insular pop songs of the decade. The video offers reprise records many views, and mileage varies based on the breakthrough hit of Baranek Women. Pure kinetic energy certainly energizes the active pop radio playlist, debuted three times before spending it, and is enough to take first place in a week. A bit of cheeky, self-indulgence humor can go a long way, but a few songs symbolize 90s pop like a week. The success of Video Provider Columbia in early 1999 opened the door for other Latin artists to get into the pop music mainstream. One of the most talented people is Marc Anthony. All I needed to know was the perfect vehicle to land his brilliant voice on the radio. Influenced by ska and punk. Nevertheless, it served to make the group's lead vocalist, Gwen Stefani, the star of Goodwill. The success of this video Quaocty DJ - C'mon Ride It (Train). Courtesy Quadrasound irresistible popular Whoomp! (There are) came out with another irresistible party hit. C'monh ride it (train) inspired another wave of soundlike hits and is a perennial welcome from the party soundtrack. Watch the video Belle Bliede - Doc. In the wake of the collapse of the mca new edition courtesy, three of the group's members, Ricky Bell, Michael Bibbins, and Bobby Brown, proved that the group was not the only breakout talent. Poison's Hard Edge Funky R&P; Amp B r&P 1 for 10 years led the development of the new jack swing as one of the freshest sounds. Watch the video faith no more - epic. This top 10 hit from courtesy Records San Francisco's faith was no longer heavy and absurd. The result is one of the most exhilarating hearing experiences of any decade with a huge lyric set that meets punk/punk/rp beats. Watch the video Martin page - In the House of Stones and Light. Courtesy Mercury This Mercury-based mainstream pop nugget followed the success of The Spacecraft as the composer of this dream hit song of The City and Heart. The House of Stone and Light is not artistically innovative, but it almost perfectly encapsulates the mainstream of pop around 1995. The page disappeared from the airwaves shortly after this one hit. Watch the video Tracy Chapman - a new beginning. Most Pop fans thought Tracy Chapman would be demoted to the chronology of the hit Wonderdome based on fast car success on her first album. She then re-emerged with this deep blues crowd, proving that there is still room for innovation and surprise within the genre. Watch the video House of Pain - jumping around. For a short period of time in the 1990s with a favorable XL recording (no longer a reference to faith), it seemed that the marriage of sharp rock and hip-hop could actually happen. Jump-around is evidence that unions can become incredibly contagious or annoying, depending on their tolerance for the constant siren sirens that accompany the pounding beats. Unfortunately, the House of Pain never regained this moment of greatness. Video Digital Underground View - Sex Packets. Courtesy Tommy Boy may simply dismiss the song as a novelty hit, but despite singing closer. As hip-hop moved into the mainstream, the Auckland-born group was differentiated by backing goofy rap with a punk inspired by the hot Congress-Funkadelic. Almost made pop classic sex sounds are so funny and fun. Watch the video Michael Jackson - Black or White. Courtesy Epic Records This is arguably the last great Michael Jackson single. It functions as a Rose guitarist Slash ushered in an uplifting message about racial unity. Like the standards released by Michael Jackson at the time, the song was accompanied by a budget-rich video directed by John Landis, the actors McAuley Culkin, George Wente and Peggy Lipton star. Watch the video DJ Jazz Jeff and Fresh Prince - Summer. Courtesy Jib Records D.J. Jazz Jeff and Will Smith (aka Fresh Prince) took a big step in the maturity of sound with the 1991 album Homebase. The biggest hit song, Summer Time, is the center piece of the album. The laid-back home settled into a song in the summer of 1991. Watch the video Sarah McLachlan - Adia. Courtesy Arista Sarah McLachlan's voice is almost in the beauty of it in a different world. The single came out of the women's release fair concert tour hosted by McLachlan, just entering gear. It remains one of those particular times of the national anthem, where women in the rock have claimed themselves on the airwaves and on stage. Watch the video Janet Jackson - Escape. Janet Jackson's hit concept album 'Rhythm Nation: 1814' and 'Escape' were shot at A&P; M Records at first looks like a simple pop fluff. However, after hearing it many times, the charm of escapism subsides. It was one of the most popular hits of 1990, and was enhanced by the accompanying video. Video Wreck -N- View effect - Rump Shaker. Free MCA all I want to do... Zoom zoom/zoom! At this point, hip-hop has begun to walk the fine line between pop radio acceptance and unacceptable sexual explicit content. The rum-shaker is innocent by today's standards, but it pushed the boundaries in that era. Watch the video Collective Soul - The World I Know. Courtesy of the Atlantic Ocean so I walked on high / And I can see my world down/ step on the edge. The rock band Collective Soul has pulled out all the musical stops, including the soaring strings, to support this beautiful ballad. The great music video has added more resonance to this powerful song. Watch the video Melissa Etheridge - come to my window. Although her style is often considered overly serious, Etheridge can also be a container wrench. Come to my window and remind me of a powerful picture of romantic anger and erotic tension with the artist's simple guitar playing and rough vocals. Watch the video mural - knock down the horse. Led by Bob Dylan's son Jakob, the band spent more than a year on the pop singles charts with this quiet masterpiece. Jakob Dylan's vocals are dead ringer for Tom Petty's voice with a fascinating world of fatigue. View of video stereo MC - connect. Free Irish Stereo MC has become one of the most successful of British hip-hop performances. Connected is promoted by hip-hop's popular but optimistic mood brand. Watch the video Amy Grant - baby baby. Courtesy A&P; M Amy Grant spent the 1980s as one of the most successful people. The pop singer, but by 1991 she did enjoy a big crossover in the pop mainstream. Baby baby is a joyful celebration of love between life partners. Watch the video various artists - ESPN Jock Jams Vol. 1.
